

- **Are there plans to hold church services at the Family Life Center?**

- There are no immediate plans to hold Sunday morning services in the FLC. We may have special services there occasionally.

- **How long is my financial commitment to the campaign?**

- These are three-year commitments.

- **Does this commitment include my regular giving to the church?**

- No. We are asking each member to give to this campaign above and beyond their regular tithe.

- **If my financial situation should change during this three-year commitment, can I change my pledge?**

- Yes, you can change your pledge at any time.

- **What happens if we don't raise enough to support all of the projects?**

- We truly believe that God will provide us the resources to complete Phase 1. We are a generous church that truly believes nothing is impossible with God.

- **Why are we razing the Hope Fellowship Hall?**

- We believe that in order to have adequate parking for the Family Life Center, we will need the space.

- **What about this day school we plan to open?**

- We are doing some feasibility studies and developing a strategic plan that will begin this Summer. We hope to present the plan to the congregation next year. We also hope to open our day school August, 2017.

- **What will our Children's Ministry look like on Sunday morning?**

- Once construction is complete, our children's ministry will relocate to the Family Life Center. We will be working with our children's ministry volunteers and our children's ministry families to determine where our children will worship. One possibility is to have them remain in the Family Life Center and worship there. The other possibility is to have their Sunday School at 9:30 in the Family Life Center and come to the Sanctuary at 11 for worship. We want to minimize the amount of traveling our children have to do on Sunday.

- **What will happen to Heritage Hall and the Fellowship Hall once Phase 1 is complete at the Family Life Center?**

- Adult Sunday School classes will continue to meet behind Heritage Hall. Small fellowship events will continue in Heritage Hall.
